

Head Quarters Fredericksburg 25th Novemr:
1778

Dear Sir

You are to remain at Pompton untill the
Rear Division of the Convention Troops has
passed Chester on their Route to Sugar Loaf
House. You are then to march to Middle Brook
and receive directions from the Quarter Master
General for the position of the Brigade under
your command in the line of encampment.
The Regiment sent to Hackensack is to remain
there till ordered off or relieved.

I am Dear Sir

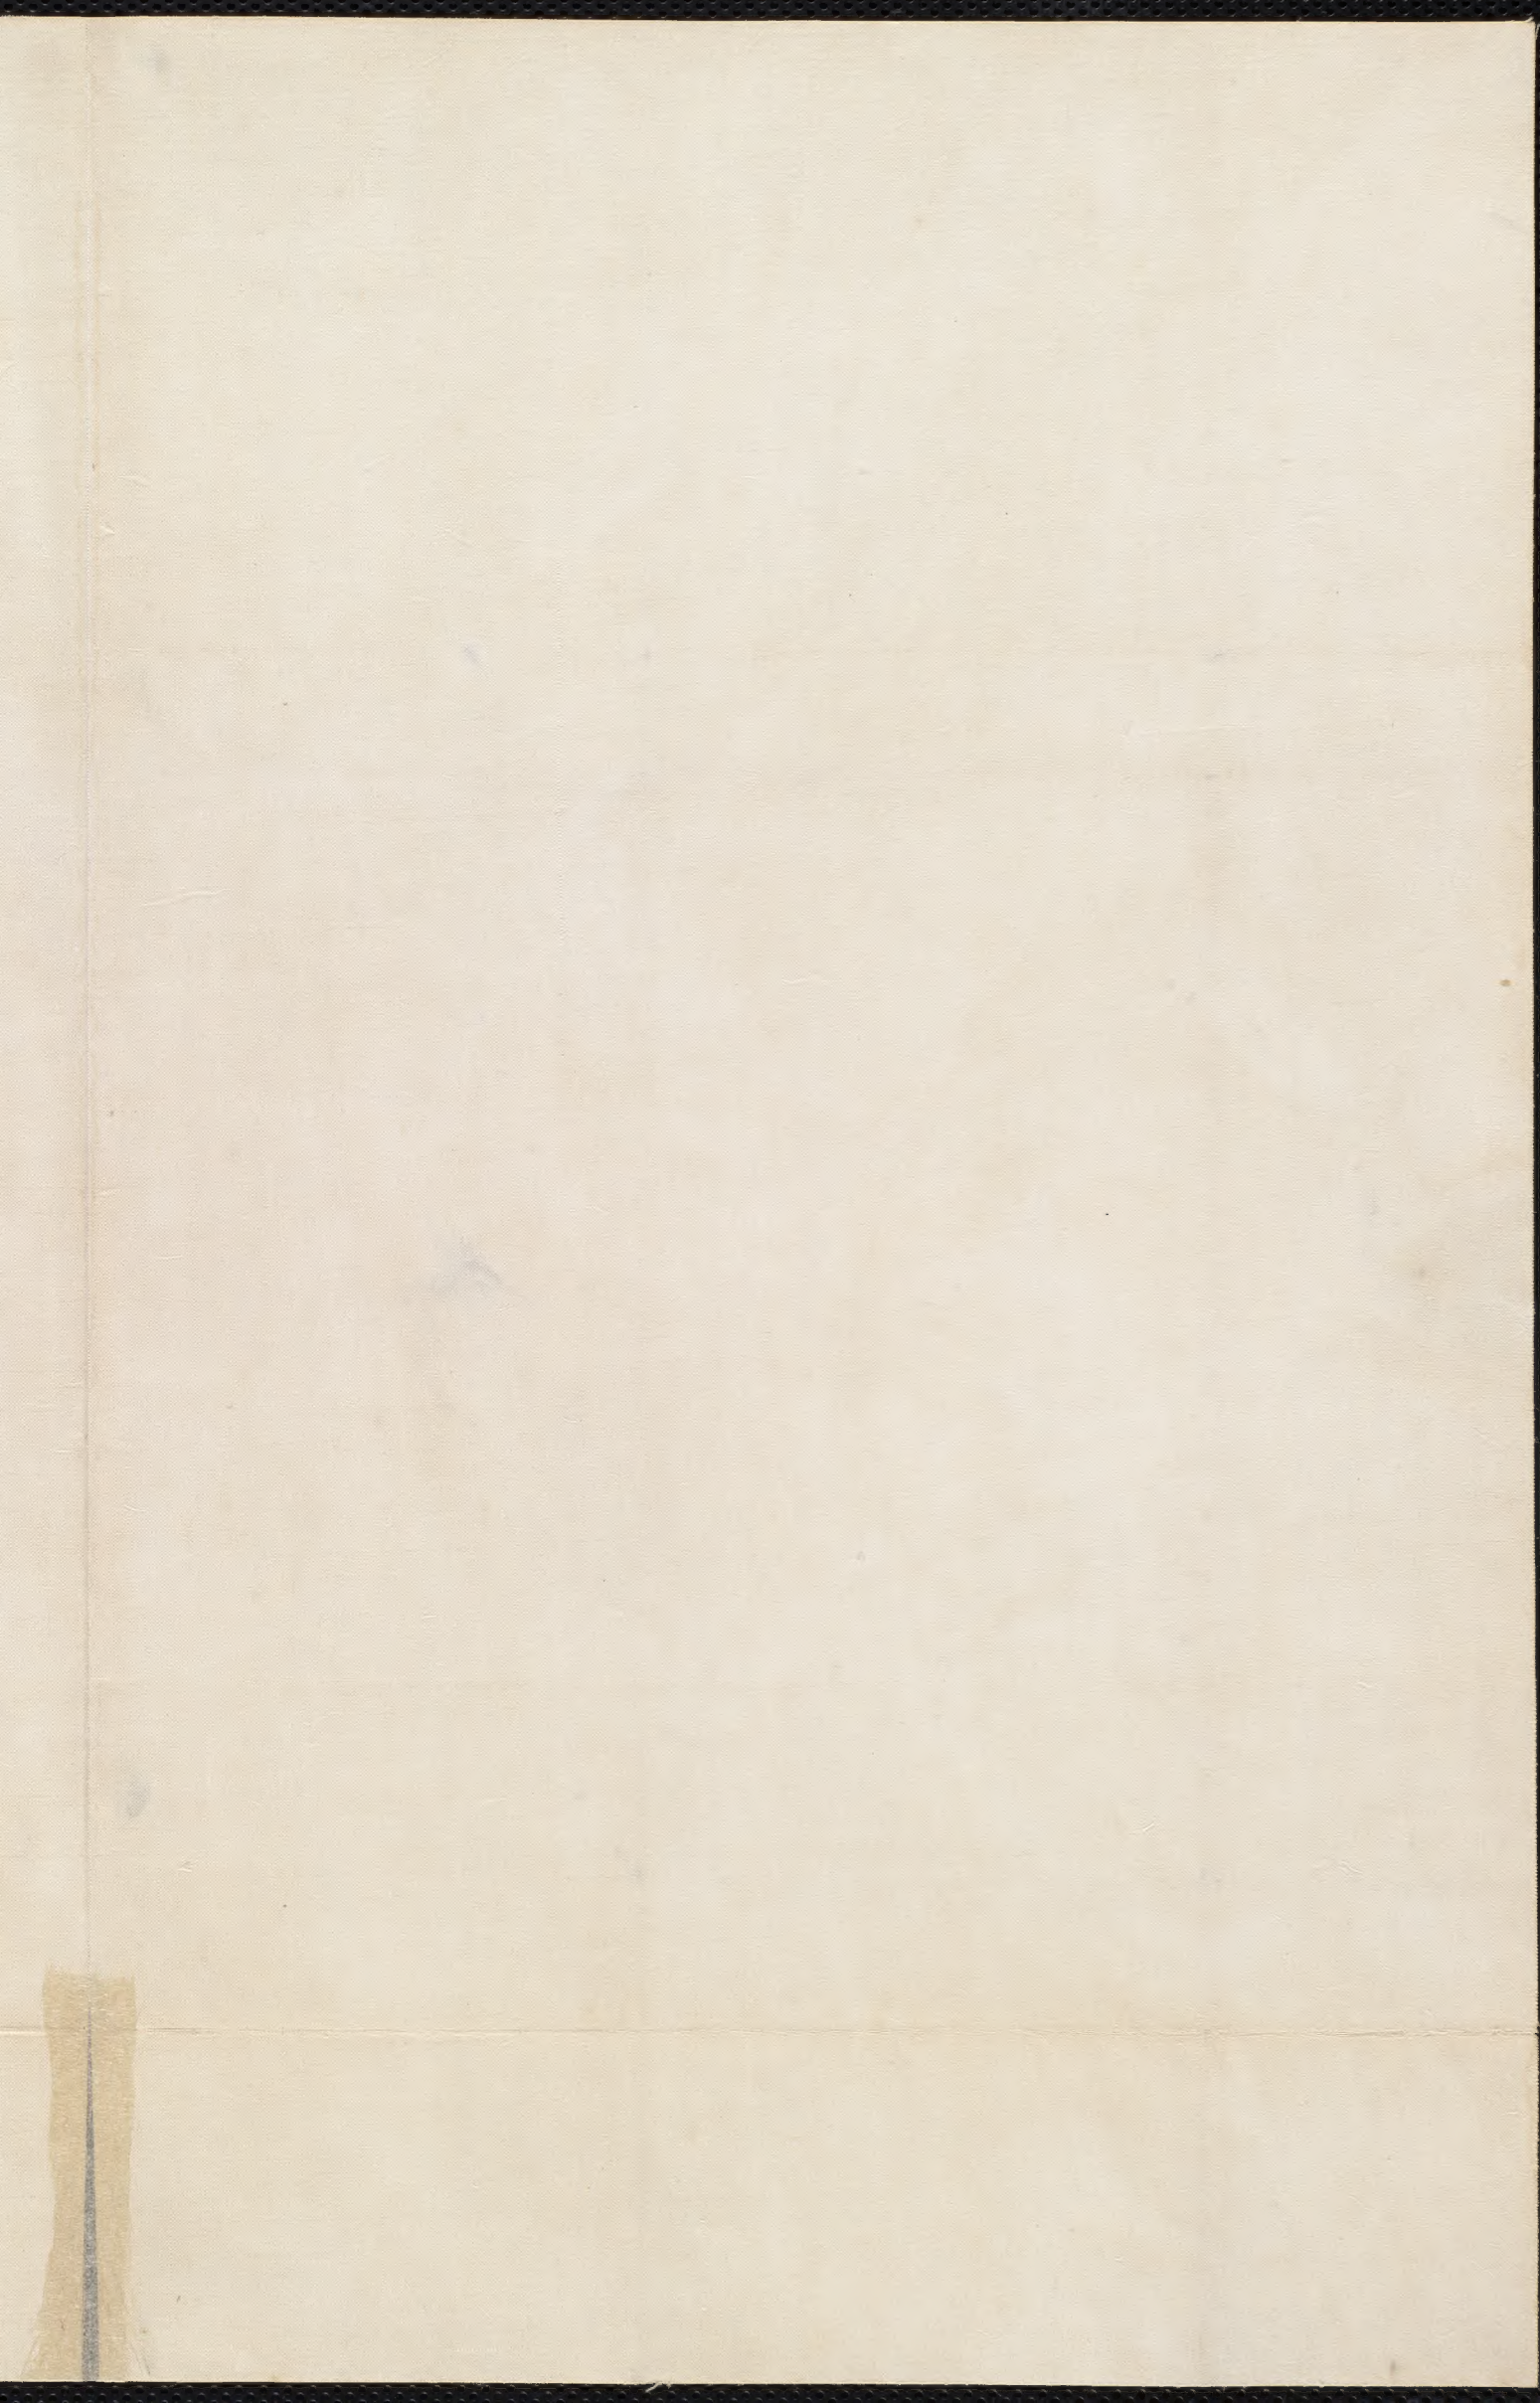

Y^r most ob.^t Serv.^t

G. Washington

P.S.

I have rec^d. yours of the
24th. When the Virginia
Brigades are all assem-
bled at Middle Brook
I will consider of the expediency
of granting Furloughs to those
who will rec^d. —
